

PAMLICO DEMOCRATS

are for a

COUNTY THAT WORKS FOR EVERYONE

For Our Education

Pamlico County Democrats are committed to restoring a first-class public educational system.

- Increase spending for public education.
- Expand early childhood education programs
- Develop new job training programs

For Our Economy

Pamlico County Democrats are committed to building a stronger local economy.

- Support our traditional business: e.g. fishing, farming, recreation
- Enhance our economic infrastructure: e.g. rural public transit, broadband internet, affordable housing
- Promote equal pay for equal work
- Ensure people are paid a living wage
- Maintain the social safety net for the elderly and lower income families
- Foster safe and secure workplaces

For our Health

Pamlico County Democrats are committed to fostering a healthier community.

- Promote access to affordable and comprehensive health care
- Support substance abuse programs, including opioids
- Promote alternatives that allow older adults to live in their homes later in life
- Foster the viability of rural hospitals and health systems

For our Environment

Pamlico County Democrats are committed to protecting the natural environment.

- Promote effective solid waste and recycling initiatives.
- Support legislation for clean, healthy waters.
- Address climate change through proactive methods and mitigation.

For our County and our Nation

Pamlico County Democrats are committed to ensuring the county and our country works for everyone.

- Foster increased voter participation
- Promote equal justice for all
- Ensure voting rights so every eligible voter is able to cast their ballot
- Promote ethical and effective Candidates in a maximally inclusive way
- Support the county Board of Elections in conducting fair and free election schedules and processes
